### Foreword

"Time is a sort of river of passing events, and strong  
is its current; no sooner is a thing brought to sight  
than it is swept by and another takes its place, and  
this too will be swept away..."

Barry.

Boy Barry, next years  
really going to be a  
drag around here

# Dedication

We, the Class of 1969, have many people to thank for four wonderful years in high school. However, we feel a special appreciation for the time and patience given to us by two individuals in particular.

## Mr. Joseph Silver

Mr. Silver has been a faithful class advisor through four long, hard years. He has always been aware of the problems students face and has willingly devoted his time to help solve them. This year, especially, we have become aware of all the time and effort he has donated to us. It is largely because of him that we were able to go to Washington, D.C. We can never really repay him for all he has done for us, but we hope that in dedicating this yearbook to him we can partially express our appreciation.

## Mrs. Dorothy Niles

When this year first began, none of us were fully aware of how much work would be needed to make a successful yearbook. We only now realize all the guidance and hard work Mrs. Niles has put into this yearbook. She has made numerous suggestions and volunteered many hours showing staff members what must be done. It is mainly through her efforts that this yearbook has been made possible. By dedicating this yearbook to Mrs. Niles, we would like to express our many thanks.

*Dear -  
you folks -  
Best wishes for  
a happy, successful  
future.  
Dorothy Niles*

## SENIORS

Barry,  
I'll ~~never~~ forget what you talked about in my year-book. You're one of the nicest guys in this school. Don't ever change. School will ~~be~~ seem alot different next year without you. (Remember 1:30?!!) Good Luck in everything you do. Don't forget me. I'll never forget you. Love,  
KAREN

His name is Mark, and you say when.

Barry, you are a great, friendly and nice guy. I could like to wish you all the best of luck and all the good things go with you!!!!

AHMED KIZITO GALIWANGO "Ahmed"

"No really great man ever thought himself so."

Again this year our community has hosted an American Field Service student, and we have had the opportunity to acquaint ourselves first-hand with another land. Ahmed has sought to replace the widespread myths of Africa with fact and friendship, and we have benefited from this new knowledge. He has extended the hand of international understanding toward its ultimate goal of world peace. He has offered us his personal friendship; and, as a result, we will have many memories of this year with him.

I have enjoyed so much being your friend this year and I'm sorry I'm leaving. You guys helped me a great deal to adjust <sup>me to</sup> your community.

I have ~~enjoyed~~ now learned a lot and I'm going home with a lot of new and fresh ideas! But always I will always remember this year and all of you. Your cooperation gives me a great pleasure! I have made a lot of friends and you my friends I will never pay for all you've done for me this year.

But I will only say a plain thank you very much!

ILSELORE DOROTHY PASSALACQUA

"Ilse"

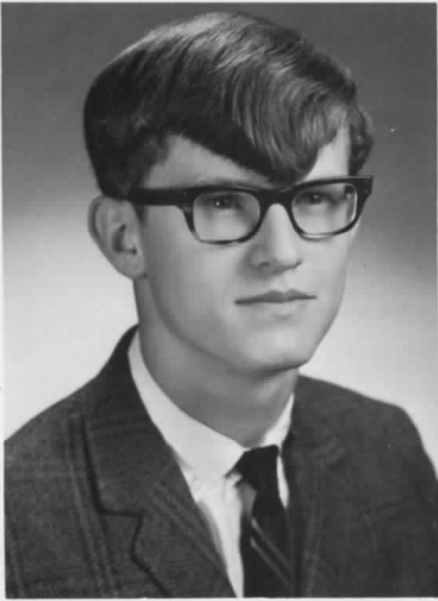

"Sweetness and spice and everything nice."

The Class of 1969 is proud to be represented by one of its members in the American Field Service program. This is the first time that such an honor has been bestowed upon a student of Phelps High School, and we know that Ilselore was truly deserving of the privilege of studying abroad for a year in Italy, learning about the customs and language of the Italian people. At the same time, she has been teaching her Italian family and friends the American way. Her perseverance, hard work, and cheerful disposition have made her a true A.F.S.'er in every way.

Barry

*Barry,  
I wish it  
wasn't so late  
in the year - I  
was just getting  
to know you, too,  
when you moved  
from 507.  
I hope  
I may see you  
over the vacation  
and even after  
that sometime.  
I guess like  
leaves - the time  
goes with the  
wind.  
Well anyway  
I hope that  
after graduation  
you will find  
what you want  
in life. And  
don't forget me  
because  
I can't forget  
you. As ever,
