### **DEDICATION**

Never a thought to the bus drivers does anyone give.

We ride the buses twice a day, ten times a week, forty times a month, but, —

Never a thanks to the bus drivers does anyone have.

Remember the times we were late and they patiently waited for us? Remember the smiles they would give us in the mornings when we were half asleep?

Remember our rides with them through raindrops and snowflakes? Remember the friendships they shared with all of us students?

Yes, we remember, and now, because we think they deserve a thanks, to them, we dedicate this book.

SIDNEY V. WHEAT District Superintendent of Transportation

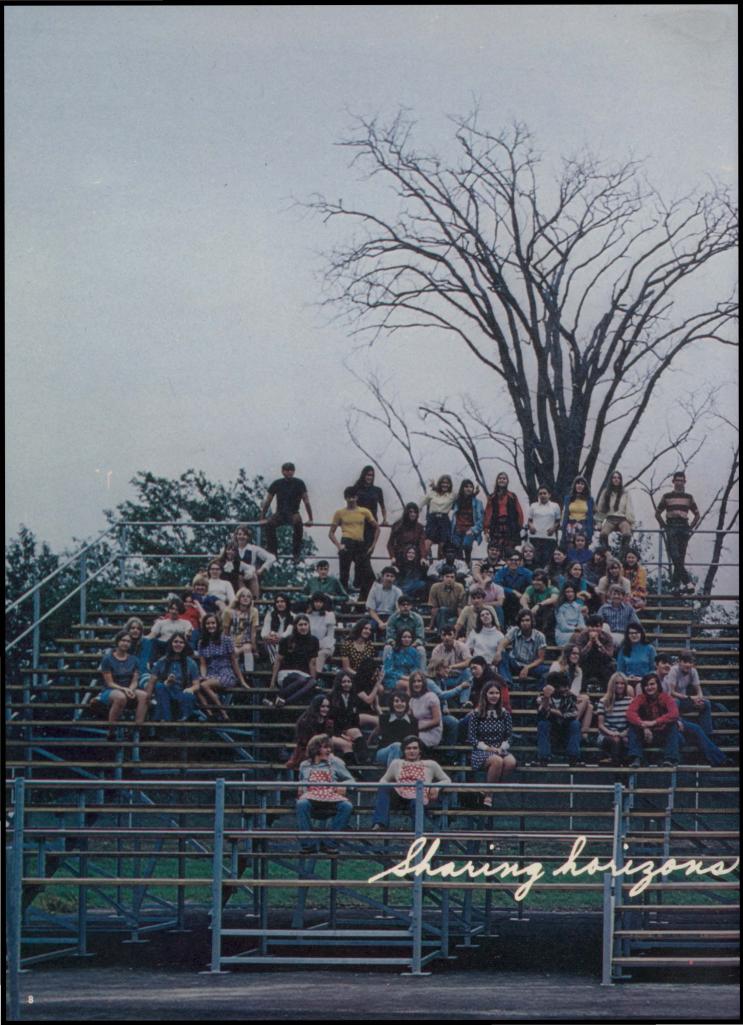

RAYMOND POTTER District Dispatcher

## In Appreciation

"Find a custodian," is a familiar cry Heard 'round Midlakes from morning 'till nigh'.

"We need a ladder!" "Where are the keys?" "Could you turn down the heat, please?"

Always helping, smiling, caring, Our excitement and frustration sharing.

How would we ever forget them? For, what could we do without them?

Harold Minns; Thomas Swartele; Paul Wells, Chief Custodian, Midlakes; Thomas Schanz.

### Criticism and Controversy

We do, indeed, live in an age of criticism and controversy. You will find that the more of a leadership role you assume in our society, the more you will be a target for criticism and the center of controversy. This kind of adverse attention puts a severe strain on your emotional equilibrium. How well you stand up under this strain is a pretty good measure of a man — or a woman.

A former President once said, "If you can't stand the heat, get out of the kitchen!" That thought scares many potential leaders but don't let it scare you. We live in a world that is desperate for leadership — your leadership — so get out there and lead, without fear or favor. Decide now that you will do what you think is right — within the laws of our democracy — and then do it!

#### Anne

Is she for real? or just an image of the mind that brings her to us and keeps us remembering, and wondering. Dispelling myths about England for she is neither reserved (as any witness of her cheering at football games can vouch) or quiet. That is not Anne. Dorothy Anne Ricketts of England has entered the hearts of the Jenkels as she shared a year of their lives, and also touched the lives of Midlakes students for . . . She is real.

#### Mimi

"Hi! How are you?" she says and you stop to glance as she continues down the hall quickly, afraid to extend the allotted four minutes to five. She has brought more than her homeland, Bolivia.

Mimi has brought an understanding to both the Tennant family and the students and a hope for the future peace.

Even when her craving for pizza and yellow apples is but a dim memory of the past — Midlakes will remember.
